

# Credit insurance provides protection.

ACREDIA is Austria's leading credit insurance provider, protecting receivables at home and abroad: The company monitors the risks facing the Insured and steps in if a Buyer fails to pay. In a nutshell: ACREDIA provides security for your receivables.

## Who can take out credit insurance?

- Businesses with B2B sales.

## What can be insured?

- Receivables from deliveries of goods and provision of services to companies.
- Preshipment risk for Buyer-specific production.

## When does an insured event occur?

- In the event of insolvency and payment default.

## Insolvency includes:

- Bankruptcy, court settlement or rejection of insolvency proceedings due to lack of assets.
- Administration proceedings with or without self-administration.
- An extra-judicial settlement to which all creditors have agreed.
- Unsuccessful enforcement.
