

Terms and conditions of use for the digital ACREDIA stamp

ACREDIA grants the Insured/Debt Collection Client, free of charge and subject to revocation at any time, the right to use one of the following digital ACREDIA stamps in JPEG format - English.

The content of these digital stamps may not be changed or added to, and they may only be used for ordinary business operations. The size of the stamp may be adjusted proportionally, i.e. the aspect ratios must remain the same when the stamp is enlarged or reduced (the stamp must not be distorted).

Notwithstanding the above, ACREDIA reserves the right to revoke its consent to use of the digital stamp in question by the Insured/Debt Collection Client at any time and without stating reasons. In this case, the Insured/Debt Collection Client shall immediately cease to use the digital stamps provided, refrain from using them in the future and delete the digital stamps.
